

Preserving and Enhancing the Quality of Life in the Burbank Area

National Night Out – What a Night!!

Thank you to everyone who helped to make the 3rd Annual National Night Out a huge success. Especially thank you to everyone who came out to enjoy the evening including yummy burgers and cupcakes!

This year we had over 15 different groups and agencies come together to make NNO the

success it was. This is one of the largest collaborations that I have been involved with in the Burbank area and absolutely loved it. With some many people pitching in to help no one was overwhelmed or hopefully overworked.

We send a special thank you to Michael LaRocca, from the Sherman Oaks Neighborhood, for coordinating the bbq.

Over 400 people attended the event and enjoyed hamburgers that were cooked by the San Jose Firefighters and Weed and Seed Committee members (SJPD, Santa Clara DA's office, Santa Clara Sheriff's Dept). After dinner, 600 cupcakes were provided by the Burbank Community Association who used some of the CAP grant funds for the sweet treats.

The Sheriff's Department had several departments represented. Everyone enjoyed the dogs – both the blood hound and the search and rescue dogs. All of the doggy noses were in overdrive enjoying the smells of the bbq that was nearby them.

The Bomb Squad robot wandered around much to the entertainment and wonderment of the kids. They weren't quite sure how the robot was able to roll around without crashing into anything.

The Fire Department was a new addition to our NNO. The kids loved being able to go into the fire truck and explore, even some of the adults were enjoying learning about

all the features of the fire truck and how all the equipment helps in fire fighting.

West San Carlos Business District provided fresh popped popcorn for the movie. The smell of the popcorn cooking and popping was incredible.

Western Career College joined NNO again to spread the word on dental health. The helped everyone learn how to properly brush their teeth and how important it is for proper dental health. They had a great location at NNO – right next to the 600 cupcakes we handed out 😊

Thank you to Catholic Charities and the Burbank Community Association who provided prizes for the free drawing. Several backpacks, bike helmets and first aid kits were handed out. And one lucky young lady won a new bike.

Councilmember Oliverio took some time out of his busy schedule to stop by and say hello.

Many stayed for the movie, Shrek, despite the few raindrops that fell. A beautiful rainbow could be seen for a while before the movie started. What a sight especially in early August.

Keep an eye out for the Burbank Community Association canvas bags that were handed out at NNO. These bags are great for taking to the grocery store to save on plastic/paper bags. There are a few bags left. If you would like one please come by the BCA meeting where the last few will be handed out.

Health Fair and Free Flu Shots

Mark your calendar for Saturday, October 18th for free flu shots and health fair. The fair will be held at O'Connor Hospital. Free screenings, free flu shots and lots of health related information will be provided.

More information to come!

Luther Burbank School Board Elections

Board elections for the Luther Burbank School Board will be on November's ballot. To help residents learn about each of the candidates the BCA is working on holding a candidate forum at our October meeting.

Mark you calendar.
