

BCA October Meeting

The October BCA meeting is going to be full of information. There will be a presentation on Pandemic Flu. The BCA will be holding Board Elections. There will also be votes on if the BCA meeting night should be changed back to Monday and if we should have a November meeting this year.

The Burbank Del Monte NAC will be doing a presentation to collect information from community members and residents on their "wish list" for changes they would like to see in their neighborhood.

We were hoping to hold a forum for the Luther Burbank School Board candidates but unfortunately we did not get commitments from all the candidates so the "official" forum has been cancelled. We are hopeful that some of the candidates will still attend and answer questions in an informal Q&A session.

Health Fair Cancelled

Unfortunately O'Connor Hospital has cancelled their Health Fair that was tentatively scheduled for Saturday, October 18th.

Safe Halloween

Halloween is quickly coming up. Even though daylight savings time isn't until November the kids will still be out after dark. Please be sure to be extra safe on Halloween and watch for all the ghouls and goblins that will be trick or treating. To help keep all the Burbank trick or treaters safe the BCA has provided glowsticks to all the students at Luther Burbank School.

Daylight Savings Time

Don't forget to fall back this year on November 2nd. Yes, daylight savings time is after Halloween this year. Be sure to set your clock back and enjoy your extra hour of sleep.

Meetings & Important Dates
